Application to vote by post in Scotland

Dear Elector

I note that you wish to apply to vote by post. The process for applying for a postal vote in Scotland depends on the type of election.

It is important that you read the guidance on the reverse of this letter before completing and returning the enclosed application form to me.

You **must** make a separate application to vote by post for both **UK Parliament** and **Scottish Parliament and council elections**.

For a UK Parliament election: the easiest way is to apply online at www.gov.uk/apply-postal-vote or scan the QR code opposite:

For Scottish Parliament and council elections: you will need to complete and return **Part A** of the enclosed form.

If you are unable to apply online for a **UK Parliament** postal vote, you can use the enclosed form **Parts A and B** to apply to vote by post at **UK Parliament, Scottish Parliament and council elections**.

If you are having any difficulties with the completion of the form or require further assistance, please do not hesitate to contact our office.

Please complete and return this form immediately.

You can find more information about postal voting at www.electoralcommission.org.uk/i-am-a/voter

Yours sincerely

Robert Nicol
Electoral Registration Officer
